## International Council of Ethnodoxologists (ICE)

... a network for culturally appropriate Christian worship

### Resources:

1) An historic publication will be released next month -- a double issue on "**Arts in Mission**" in *Connections*, the journal of the World Evangelical Alliance Missions Commission. This one-of-a-kind issue brings together authors from around the world (many from the Global South) to create the largest collection of articles on this topic currently in print. It's release is timed specifically for leaders coming from nearly 200 nations at the Lausanne Congress in Cape Town in October.

ICE associates wrote 45 articles (about half the material) for this issue of *Connections* – so this outstanding full-color resource of 100 pages really represents YOU! See the cover and the **Table of Contents** [here](#). Please **consider ordering copies at bulk rates for the classes you teach**, as well as for gifts. More information about the journal can be found on the website: [www.weaconnections.com](http://www.weaconnections.com). For special prices on bulk orders – **available only until Sept 15**, click [here](#)! [Note: the links in this paragraph may work better in Internet Explorer].

2) The August 2010 issue of Ron Man's "Worship Notes" focuses on the theme of "Global Worship," and features:

- \* A report and commentary on the Global Consultation on Music in Missions, held 4-7 July in Singapore
- \* Resources on Global Worship

Please click [HERE](#) to open PDF (left-click) or to download (right-click, "Save link as...")

3) Sue Whittaker [[toow...@cox.net](mailto:toow...@cox.net)] will be contacting ICE associates soon to compile a database for ICE-only use. Many of you are looking forward to the availability of this database, so please return the requested information quickly. Thank you!
