New Partnership Opportunities Available with ICE

Congratulations to Music in World Cultures (MIWC), pioneers in the newest category of association with ICE - Lifetime Organizational Partner. MIWC, with Dr. John Benham at the helm, has a reputation of trailblazing new ideas. They also launched the Master's program in Ethnomusicology at Bethel University, now in its 5th year, with 15 graduates and more on the way. The low "lifetime" ICE membership rates for Students (\$300), Associates (\$500), and Organizational Partners (\$800) will be available only until GCoMM 2006. Check out the details [here](#).

Interested in Missionary Training?

ICE partners with another networking organization called The Next Step, a professional organization of missionary trainers committed to the continual improvement of pre-field and on-field missionary training. Bill and Robin Harris recently attended their annual conference in Richmond, Virginia, and were able to make many new contacts for ICE and GCoMM as well as receiving top-quality teaching on Dialogue Education by Dr. Jane Vella, the founder of Global Learning Partners and a well-known author and speaker. To see ICE's link on The Next Step site, [click here](#) and again on "links".

The vision of ICE is that Christians from every culture will have the opportunity to express their faith through their own heart music and arts.
