## ICE goes to the 2005 Orality Conference!

The 2005 Conference on Orality was held Sept. 13-15 at the Crowne Plaza Hotel in Anaheim, CA. Five ICE Associates enjoyed the fellowship with one another while participating in the conference:

- \* Dr. Roberta King spoke on ethnomusicology-related issues for two plenary and three breakout sessions;
- \* Bill and Robin Harris manned a display representing ICE, GCoMM 2006, Heart Sounds International, and *EthnoDoxology Journal*;
- \* ICE associates Kedra Larsen and Gloria Sauck also participated, attending Roberta's break-out sessions and learning more about the Orality movement, often referred to as Bible-storying.

Sessions on using EM in Bible-storying are scheduled for GCoMM 2006 – you won't want to miss it!

Our heartfelt thanks goes to **Katherine Morehouse**, a 2005 graduate of Bethel's MA program in Ethnomusicology. She has kindly agreed to be the editor for future ICE newsletters. Suggestions and submissions can go to her at:

***The vision of ICE***  
*is that Christians*  
*from every culture*  
*will have the opportunity*  
*to express their faith through*  
*their own heart music and arts.*

## SEM celebrates 50<sup>th</sup> anniversary in Atlanta

The Society for Ethnomusicology (SEM) is holding their 50<sup>th</sup> anniversary conference in Atlanta, GA Nov. 16-20. This could be a historical year as there is to be discussion on whether to keep the name "ethnomusicology" or find a new name for our discipline.

ICE associates and other Christian ethnomusicologists will meet for lunch at the nearby food court on Thursday for fellowship and encouragement.

Spread the news to non-ICE associates you know who might be interested! For registration, accommodation, and program information, visit:

ICE Newsletter mailings and other forums will soon be switched to a different email service; to continue receiving ICE newsletters, reply to the invitation you'll receive via email.
